Professional Contract Services, Inc., Austin, Texas, is being awarded an \$8,598,299 firm-fixed price, indefinite-delivery/indefinite-quantity contract for base operating services at Naval Medical Center Portsmouth (NMCP).

The work to be performed provides for, but is not limited to, all management, supervision, tools, materials, supplies, labor, and transportation services necessary to perform hospital and clinic housekeeping services; heating ventilating, air conditioning maintenance and repair; water treatment services; automated grease digest systems maintenance; automatic door maintenance and repair; emergency generator maintenance and repair; entrance gates and roving guard services; hospital cart washer repairs; building re-lamping services; hospital medical gas system maintenance and repairs; and hospital firestop inspection and repair at the Naval Medical Center Portsmouth, Va. and its outlying clinics in the Hampton Roads area.

Work will be performed in Portsmouth, Va. and outlying clinics in the Hampton Roads area and is expected to be complete by September 2010.

Contract funds will expire at the end of the current fiscal year. This contract is a sole source award to an AbilityOne participating nonprofit agency pursuant to the Javits-Wagner-O'Day Act and the Federal Acquisition Regulation Part 8. The Naval Facilities Engineering Command Mid Atlantic is the contracting activity.
