

FY2014-2015 **AbilityOne Price Change Schedule**

Last revised: 1.10.2013

Products on the AbilityOne® Procurement List are changed in accordance with the contract written by the Contracting Activity. Price changes are usually on an annual basis; however, changes may occur in shorter intervals in response to federal procurement requirements. For additional information refer to the U.S. AbilityOne Commission's® Pricing Memorandum PR-2 (http://www.abilityone.gov/laws_and_regulations/policy_memos_pricing_memo2.html).

1. Producer Price Index (PPI)

For products on the AbilityOne Procurement List that use the Producer Price Index as the mechanism to change prices, the Commission will determine the January 1, 2015 prices in accordance with the Commission's PPI process according to the following schedule:

Estimated Download date of June 2014 Bureau of Labor Statistics PPI data:	July 21, 2014
Price Change Notice to Contracting Activities and Central Nonprofit Agencies	August 18, 2014

2. AbilityOne Commercial Distribution System (CDS) Submission / Price List Inclusion Dates

Some products on the AbilityOne Procurement List are distributed to customers through a commercial distribution system. The Commission publishes price lists to CDS participants on a quarterly basis. Whereas price change requests are processed by Commission staff upon receipt, the inclusion of these revised prices on quarterly price lists are not guaranteed unless the price change requests received are accurate, complete, and in accordance with all Commission guidelines and the schedule below. Any Commission staff inquiries sent to CNAs, CAs or Nonprofit Agencies (NPA) to correct errors and/or omissions constitutes an incomplete price change submission, and the delay in processing the price change may prevent its inclusion in the subsequent price lists.
