2010 Price Change Schedule

Submission Deadlines and Price Effective Dates for items in Quarterly Price Lists and AbilityOne.com

The Committee staff will process price change requests for AbilityOne products according to the schedule below.

Submission Date:

The Committee staff must receive the price changes requests no later than the prescribed date and if approved will be effective in accordance with the subsequent quarterly schedule. In order to guarantee inclusion in the subsequent price list, all submissions must be accurate, complete, and in accordance with all Committee guidelines when submitted. Any inquiries sent to CNAs, CA or NPAs to correct errors and/or omissions constitute an inaccurate price change request and the price change is not guaranteed to be included in the next price change.

Effective Date:

The effective dates apply to annual contracts, and all MAS vendors, other commercial distributors, AbilityOne.com, MAS, etc. Effective dates for GSA or other Government contracts may differ.
