MEMORANDUM FOR ALHQCTR/CC/CL  
ALINST/CC/CL

FROM: AFMC/CA  
4375 Chidlaw Road  
Wright-Patterson AFB OH 45433-5001

SUBJECT: Support of the AbilityOne Program and Compliance with Federal Law

1. I highly encourage all AFMC personnel to support the AbilityOne Program which employs people with disabilities, including our wounded warriors. Supporting this program is not only the right thing to do, but it is required by federal law. Specifically, the AbilityOne Program (formerly the Javits-Wagner-O'Day Act) as prescribed in the Federal Acquisition Regulation Subpart 8.7, requires Government personnel to purchase supplies and services on the Procurement List from AbilityOne nonprofit agencies. Items on the Procurement List include a wide variety of office, cleaning, and medical supplies, along with numerous services such as custodial, janitorial, food, grounds maintenance, and administrative support services. The latest version of the Procurement List and participating AbilityOne nonprofit distributors, including local base supply stores at Edwards, Eglin, Hill, Tinker, and Wright-Patterson can be viewed at [www.abilityone.gov](http://www.abilityone.gov).

2. In addition to the items on the Procurement List, Contract Management Support is a new service now being offered by AbilityOne. Specifically, the National Industries for the Blind (NIB) can provide document destruction and contract closeout services for Firm Fixed Price contracts. Details about this exciting new service can be obtained by contacting Mr. John Farrar at NIB, 703-310-0374, or [jfarrar@nib.org](mailto:jfarrar@nib.org).

3. Once again, I encourage your support of the AbilityOne Program in fulfilling your supply and service needs. This program employs over 47,000 people with disabilities nationwide to include over 3,300 of our disabled veterans. Supporting this program is a win-win for all involved.

MEMORANDUM FOR ALMAJCOM/FOA/DRU

FROM: SAF/AQC

SUBJECT: Increasing AbilityOne Contracting Opportunities

October is National Disability Employment Awareness Month (NDEAM) and a perfect time for me to personally endorse the AbilityOne Program. AbilityOne provides employment opportunities for more than 47,000 people who are blind or severely disabled through federal Government contracts for supplies and services. This workforce also includes more than 3,300 of our wounded veterans.

In a recent memo (attached), the Director, Defense Procurement and Acquisition Policy (DPAP) highlighted the importance of AbilityOne and lauded the FY11 award winners. In the spirit of this memo, I wanted to strongly encourage contracting officers to engage with their customers in proactively seeking contracting opportunities suitable for the AbilityOne Program in order to foster greater opportunities and career paths for people with disabilities. I also wanted to congratulate all of our FY11 Air Force AbilityOne award winners identified in the attached DPAP memo.

As we continue moving forward with strategic sourcing initiatives, I believe the prospects for awarding new AbilityOne contracts to meet our supply and operational services requirements are stronger than ever. Two such examples are office supplies and contract closeout services. This month saw the commencement of the Mandatory Use Policy for Purchase of Office Supplies. This policy authorizes office supply purchases from AbilityOne Base Supply Centers as the only Air Force waiver from utilizing the Federal Strategic Sourcing Initiative (FSSI) Office Supply Blanket Purchase Agreements (BPAs). This month we also anticipate the award of two task orders under the AbilityOne Program to support in the closeout of approximately 11,360 Air Force contract actions.

Through our partnership with AbilityOne, we can continue to employ disabled workers who provide vital supplies and services that help us meet the mission of the Air Force, a win-win for all involved. You got it...we bought it...from AbilityOne!
